

ABOUT YFOUNDATIONS

Since 1979 Yfoundations has been the NSW peak body representing young people at risk of, and experiencing, homelessness, as well as representing the services that provide direct support to those young people. Our vision is to create a future without youth homelessness. In order to achieve our vision all children and young people must have the right to 5 foundations:

- Safety & Stability
- Home & Place
- Health & Wellness
- Connections & Participation
- Education & Employment

Yfoundations delivers policies, research, and resources, as well as a wide range of health projects related to the health and wellbeing of young people. Yfoundations works in partnership with other state peaks, state and federal government departments, the National Youth Coalitions for Housing, and Homelessness Australia.
