

Youth Homelessness Representative Council

The Youth Homelessness Representative Council (YHRC) is a passionate group of young people aged 18-25 years, dedicated to addressing issues affecting youth at risk of or experiencing homelessness. Our aim is to empower and amplify the voices of young people. The YHRC provides a platform for young people to actively participate in and collaborate on policy and program development and influence positive changes in practice and policy. We invite young people with lived experience of homelessness and a desire to improve the lives of others to join us and make a difference. Apply now to be part of the YHRC and help create positive change.
